Membership and Mailing List Application

The Orange County PC Users' Group (ORCOPUG) meets the second Tuesday of every month. Members share ideas, see presentations about the latest in hardware and software, learn about new technology, save with user group discounts and offers on computer products, get help from other computer users, receive a monthly newsletter, and get valuable information and help from our user group's website. Our group is open to anyone interested in computers that use Windows operating systems.

Please see the Program page at www.orcopug.org for meeting location and map. Meetings start at 6:00 p.m. and end at approximately 9:00 p.m. There is no charge for attending our meetings, but if you wish to join and enjoy the full privileges of group membership, the dues are only \$25 per year.

Choose one of the two methods below to submit your membership application form:

1. Fill out this form on your computer, print it, and mail it to the address at the top of the page along with your check for \$25, payable to ORCOPUG.
2. Fill out this form on your computer and press the Submit button (you must be connected to the Internet) to email it to Charlie Moore, Secretary-Treasurer/Membership Chairman. Then, bring a \$25 check payable to ORCOPUG, to the next meeting to become an official ORCOPUG member.
